

Open library - Extended opening hours at the libraries in Kävlinge municipality

In addition to the opening hours with staff available, the libraries are open with self-service every day.

If you have got a library card, you may register to use the Open Library (meröppet). Everybody over the age of 16 years can become a registered Open Library user. If you are under 18 years, a parent's or legal guardian's signature is needed.

With your library card and your PIN code you can get access to the library and use the facilities. You can bring family members or a friend.

During unstaffed hours you can borrow and return books, pick up reserved books and use the library's computers. There are also working areas for students and a small play corner for children.
